NEW CONSULTING PARTNER ANNOUNCED BY STONEHAVEN CONSULTING

Dr Juerg Baggenstoss, PhD, has joined Stonehaven Consulting as a Consulting Partner in the company's expanding global team.

Dr Baggenstoss has both extensive consulting and industry experience. He previously worked with A.T Kearney, a global management consulting company, in London, UK, and Zurich, Switzerland. His consulting work is focused around M&A, merger integration and transformation within the consumer and health industries. He worked internationally in Europe, Asia and the US, and helped numerous clients on their growth and transformation journey.

Prior to consulting, Dr Baggenstoss worked as a research scientist and project manager for Nestlé R&D.

Dr Baggenstoss is a chemist by training, completed a PhD in Chemistry/Food Technology at ETH Zurich, and gained an MBA at Cranfield School of Management, UK, where he was awarded the Henry Ford II Scholar Award for the highest academic performance.

“Juerg has a real passion for growing companies and people,” said Matthias Hofer, Managing Partner at Stonehaven Consulting, “so we are delighted to welcome him to the team.”

“His experience in leading large M&A and transformation projects, and his background in health and consumer goods, mean that Juerg will add further expertise and insight for Stonehaven to offer our clients.”

Notes to editor:

Stonehaven Consulting was founded in 2015 by George Gunn, former CEO of Novartis AH. The company is based in Switzerland and has a global client base consisting of life science companies. A small team of highly

qualified and experienced individuals use their know-how and network to help companies set and exceed their strategic goals.
